

NZF Regional Coaching Conferences

Throughout 2008 NZF are planning to bring their Regional Coaching Conference to each of the seven Federations. The aim of the conference is to provide all coaches regardless of age, gender and experience with an opportunity to connect and learn from each other.

The programme of learning and development will cater for the junior, youth and senior coaching communities and will provide opportunity for coaches to observe, practice, discuss and reflect on coaching.

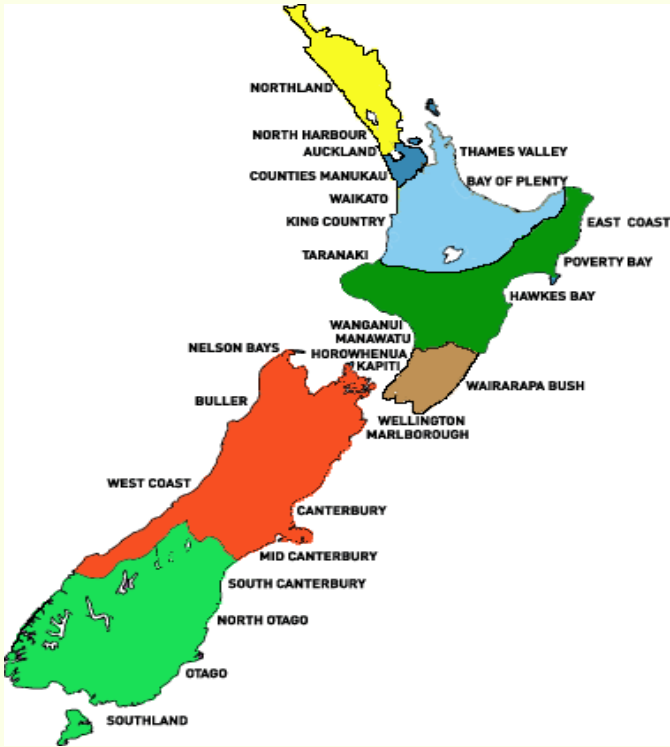

Presenters for the conference will include experts from football and other sporting codes who will take time out to share their philosophies, identify elements of best practice and provide a wealth of hints, tips and ideas to help improve coaching in the region.

Look out for regional promotion

Registration for Courses

To find out more or to register for any of these course please consult your local federation website and or contact one of our new Regional Coach Development Coordinators.

Use the map to find your colour coded region and then refer to the table below to find the corresponding regional contact and federation website.
